

To Whom it may concern,

Please accept this letter as a letter of recommendation for Mike Rancourt, owner and operator of M.R. Airframe. We have dealt with Mike for over 5 years now and found him to exceed all expectations on quality, time line and costs. The most enduring aspect to dealing with Mike is his honesty towards pricing. He does not give low ball quotes to get you thru the door and then "find" more things wrong to make sure the invoice leaving is well in exceedance of any quoted price for the job. With Mike he has the experience and knowledge to assess any structural job and give a realistic projection of cost and timeline and works on the customers behalf to stay within the agreed upon quote. He has a very experinced crew and quality is never an issue. He has the highest moral and product standards of anyone in the industry ensuring the customer gets what is promised and in the condition promised. I would give ever recommendation to deal with Mike Rancourt to any one in the industry without hesitation.
